

康僑烘培坊
Kang Chiao Bakery

We would like to give a special mention to our sponsor Kang Chiao Bakery. They are a family bakery business which was started in 2012 and they started off making delicious Chinese snacks because their kids love to eat fresh pineapple cakes and Taiwanese snacks. To satisfy their children, they began to research how to use fresh British Local ingredients. Without any additives, and with motherly love and care, they created rich and flavourful Taiwanese snacks - a taste of home to share with you that is a taste of motherly love and a remedy for homesickness!

Kang Chiao Bakery provides free UK delivery for orders over £30. For orders below £30, there is a £2.90 delivery fee. Delivery to Cambridge is free if chosen to meet and receive order in person.

To order, simply fill in the following google form <https://goo.gl/forms/bDU9yUkA2k25n5M02>, or message via WeChat, Line or email. Kang Chiao Bakery will then contact you for payment.
